

Each year, thousands of greyhounds are discarded at racetracks across the United States, simply because they can no longer turn a profit for the track.

Since 1992, Fast Friends Greyhound Adoption, located in Swanzey, NH, has rescued and rehomed many of these unwanted dogs giving them a second chance at the life they so deserve.

All greyhounds adopted from Fast Friends are up to date on vaccinations, have been either spayed or neutered and have had a dental cleaning prior to adoption.

Fast Friends also treats dogs who have suffered race related injuries such as broken legs, fractures and lacerations.

Fast Friends relies solely on donations and the help of volunteers to survive.

Without your help, we cannot continue.

THANK YOU FOR HELPING US!!

Fast Friends is a registered 501c3 non profit organization.

Owen would like to remind you that if you cannot join us on the 18th, you can still help.
